

Please join us for a community meeting of the Louisville Metro Comprehensive Plan Community Form Work Group

February 1st 6:00 to 7:30
California Community Center
1600 Saint Catherine Street

- Louisville Metro is updating the Comprehensive Plan which will guide specific land use polices and investment through the year 2040.
- The Comprehensive Plan is built around 6 key elements
 - *Community Form/Land Use*
 - *Marketplace*
 - *Mobility and Transportation*
 - *Livability & Environment*
 - *Community Facilities*
 - *Housing*
- Please join Louisville Metro staff for a community workshop to discuss the future of our built environment, natural resources, historic resources, and arts & creativity.
- Community input from constituents of West Louisville is vital to this process in order to ensure a bright future for all Louisville residents.
