

Consulting Party Feedback

Use the spaces below or attach your comments to this form.

Your Name (please print): _____

Phone: _____

Email: _____

Responsibilities of a Consulting Party:

- Tell the us why these Places are Important to you and the community,
- Share input and propose mitigation options that preserve the history or culture of the community ,
- Share data (including photographs, documents, oral history, etc.),
- Participate/comment on documentation, reports and any other phases of the process,
- Review official documentation and draft reports within regulated timeframes;
- Assist in identifying other consulting parties.

What mitigation activities would you like to see Louisville Metro perform to celebrate and acknowledge the legacy of Beecher Terrace and the Russell neighborhood? What new resources would you like to see created from this process?

What can Louisville Metro do to improve how we involve the community in historic preservation activities related to Beecher Terrace and the Russell neighborhood?
